A conflict of interest, whether actual, potential or perceived, occurs when someone in a position of trust has competing professional or personal interests, and these competing interests make it difficult to fulfill professional duties impartially. Supervisors are asked to declare conflicts of interest they may have regarding today's business. Any member who declares a conflict of interest must not vote on that agenda item.

Lac qui Parle Soil and Water Conservation District

122 8th Ave South, Suite 1, Madison, MN 56256
(320) 598-7321 Ext. 3

Our mission is to provide conservation opportunities for landowners of Lac qui Parle County through creative stewardship, protection programs and utilization of the resources to foster soil improvement and water quality in the community.

Farm Program Update –

CSP/EQIP – LQP has 7 EQIP pre-approved applications we are trying to get to be obligated contracts. I got one signed yesterday and have nearly all of them ready to sign. Will be trying to get in touch to move forward with signing. CSP for the open Classic signup involves 3 that were rated as high and should be assessed. One withdrew on Wednesday, one has to have the EQIP contract completed before I will be able to do computer work to assess, and the other has assessment started. Need to have these ready and assessed by May 28. I must admit that the withdrawal was actually a relief.

CRP/CCRP – Basically waiting for the new rules to come out so we know what to tell people. It looks like it will be to everyone's advantage once the new rules are out, but we have no details. FSA is on complete hold as far as even being able to approve a contract even if they wanted to. It also looks like a lot of their work on general will need to be redone. I am afraid it will be a big mess and hurry to get all done when rules come out. This has also stopped any CREP applications for now also.

1026/wetland stuff – The wetland team is now pretty current on responses to 1026's, but there are a lot of requests for review of existing certified determination that are in the hopper also.

Waterbank – There is actually a sign-up for Waterbank Program going through May 24. If a person has a pasture that is being flooded quite a bit and not really much good for pasture it might be a good option. If it is cropland they would be much better off going to CRP. 10 year contracts, \$35.00/ac for pasture.

Administrative Items –

Staffing – Well I am back to being the only NRCS employee in the Madison field office. John Harbinson came to the decision he couldn't be this far away from his girlfriend in Fargo, so gave his 2 week notice. Sara is now working for NRCS in Clarkfield, but may be able to help with some CRP when we can do something.

April 12, 2021

To: Minnesota Soil and Water Conservation Districts
From: Paul Krabbenhof, MASWCD President
Subject: Call for Resolutions – 2021 Resolution Process

Attached please find the following materials related to the 2020 Resolutions Process:

- resolutions process guidelines;
- sample resolution format; and
- resolutions which will sunset in 2021.

Note: An updated version of the MASWCD Policy Handbook will be posted to the MASWCD web site – www.maswcd.org – on the Resolutions Process page. The handbook is a compilation of all standing MASWCD resolutions and action taken to date.

Please also note:

- ⇒ For this year only, resolutions that failed the previous year may be resubmitted through the 2021 resolutions process. This was a decision by the MASWCD board of directors in recognition that last year's voting process was somewhat unusual due to COVID-19 and the remote convention.
- ⇒ The "therefore, be it resolved" in the resolution should state **an action or a policy position** that MASWCD should take as it relates to the work of SWCDs. This will help with the post-convention resolution prioritization process.
- ⇒ All resolutions will need to include information on the potential fiscal impact for MASWCD (budget, staffing, committee, etc.)
 - The intent is to encourage a comprehensive discussion on policy and program issues, including implications to the Association's budget. The National Association of Conservation Districts also requests similar language for their resolutions. Fiscal impact estimates will provide the members with additional guidance and consideration for various requests submitted by local SWCDs.
- ⇒ **The deadline for Area resolutions to be received in the MASWCD office is July 21.**

If you have any questions, please do not hesitate to me at (612) 978-3989, or LeAnn Buck at (651) 690-9028. Thank you.

Enclosures.

Resolutions Process Guidelines

MINNESOTA ASSOCIATION OF SOIL &
WATER CONSERVATION DISTRICTS (MASWCD)

RESOLUTIONS PROCESS GUIDELINES

The resolutions process is the means by which local SWCD Supervisors can identify soil and water conservation needs and issues and bring them before the membership of the Association for review and action at the MASWCD Annual Convention. The resolution process provides a forum for education and information to SWCD board members on statewide conservation issues. The resolutions also provide guidance and direction to the Board of Directors of the MASWCD and NACD.

In order to provide for an orderly process, the following steps shall be used.

1. Resolutions are to be developed and passed first by a local district, and then must be submitted to and approved by the MASWCD Area Association of which that district is a member. *(Policy adopted by MASWCD Board of Directors September 16, 2011)* An SWCD must be an MASWCD member in good standing in order to be eligible to submit a resolution. **It is important for a representative from the authoring SWCD to be in attendance at the Area meeting when the resolution is presented to explain the resolution and answer questions.**
2. All resolutions must be typed and in proper format – including clear identification of the originating district, contact person, and Area. Background information explaining the intent of the resolution can be submitted with the resolution and should be limited to one page.
 - In addition, each resolution must include information on the potential fiscal impact for MASWCD (budget, staffing, committee, etc.). *(Policy adopted by MASWCD Board of Directors Feb. 17, 2010.)*
- ~~3. In the year following the defeat of a resolution by member vote, no SWCD may submit an essentially identical resolution to the one defeated. *(Policy adopted by MASWCD Board of Directors Aug. 26, 2008.)*~~
4. The time line for the resolution process is as follows:
 - July 21 - Deadline for Area resolutions to be into the MASWCD office.
 - Mid to End of August - MASWCD Board reviews packet.
 - September 15 - Packets sent to SWCDs for pre-convention balloting.
 - November 1 - Deadline for pre-convention ballots to be into the MASWCD office.
5. In order to develop a uniform resolution packet, MASWCD will:
 - Only accept those resolutions submitted prior to July 21.
 - Only accept resolutions that are in proper format.
 - Only accept agency and other organization resolutions that have come through dues-paying member SWCDs.
 - Eliminate those which are not related to MASWCD responsibilities.
 - Eliminate those which are the same as standing MASWCD resolutions.
 - Consolidate similar resolutions.
 - Edit and condense resolutions.
6. In August the packet will go before the MASWCD Board of Directors for approval.
7. Resolutions will be duplicated and mailed to all SWCDs by September 15. This will give each SWCD adequate time to review all resolutions and to vote their position on each prior to the annual convention, using the pre-convention resolution ballot process.

Guideline #3
is not in effect
for 2021.

MASWCD will seek the consent of the authoring district.

Resolutions Process Guidelines

8. The results of the pre-convention resolution ballot process will be distributed during the first general session of the convention. All resolutions needing further discussion, amendment, and/or action will also be presented. No action is taken at the first general session.
9. Resolutions needing further action will be brought before the membership for action during the second general session of the convention. This will provide additional time for convention delegates to study each proposed resolution.

REMINDER: Each district submitting a resolution which is brought up for further action must continue their responsibility for the resolution and speak for it when it is brought before the membership.

10. The pre-convention resolution ballot process is a means to limit debate on the floor of the convention on resolutions for which the membership has a strong agreement for or against. Toward that end, the following will apply:
 - If 66 percent of all supervisors whose ballots are received vote to APPROVE a resolution, the resolution will be deemed as moved and seconded for adoption at the annual meeting.
 - If 66 percent of all supervisors whose ballots are received vote to DISAPPROVE a resolution, it will automatically be rejected, with no further action at the annual meeting.
 - If 34% of all supervisors whose ballots are received vote to BRING THE RESOLUTION TO THE CONVENTION FLOOR FOR FURTHER DISCUSSION OR AMENDMENT, it will be brought to the MASWCD annual meeting for further action. This provision overrides the first two, in the event that this condition and one of the above conditions are both met.

(Policy adopted by MASWCD Board of Directors March 24, 2009.)

11. If an EMERGENCY occurs and an SWCD feels an EMERGENCY RESOLUTION is necessary, the SWCD should contact the MASWCD Area Director and submit to him/her the emergency resolution. It is then the responsibility of the Area Director to carry forward the resolution to the MASWCD Board for action.
12. The following are criteria for an EMERGENCY RESOLUTION:
 - The issue or event is something that has taken place between the time resolutions are due in the MASWCD office and when they are acted upon at the convention.
 - The resolution deals with a natural disaster.
 - The issue or event must be acted upon before the beginning of the next resolution process.Final decisions regarding EMERGENCY RESOLUTIONS will be made by the MASWCD Board of Directors.

13. No resolutions will be accepted from the floor of the convention.

14. Area Directors should be consulted for information on deadlines for resolutions to be submitted at the Area level. All resolutions approved at the Area level must be received in the MASWCD office no later than July 21.

15. It is the policy of MASWCD to sunset resolutions after four years from adoption. Resolutions over two biennia (four years) may no longer be applicable or suitable for MASWCD to pursue, and new or revised legislative actions may be sought through the resolutions process annually. *(Policy adopted by MASWCD Board of Directors March 27, 2007)*
