Wild Fruit of Minnesota

Lac qui Parle County Native

Trees are to be used for urban and rural conservation purposes, including windbreaks, restoration, erosion control, and food and cover for wildlife. These trees cannot be resold.

Additional species/sizes available upon request.

All small bareroot trees are sold in bundles of 25.

Notice will be sent announcing pickup schedule.

Because of the perishable nature of trees and shrubs, the SWCD is not responsible for their condition after pickup by customers, or if picked up after scheduled date.

100% down-payment is required if the SWCD is not planting. 50% down payment on Trees for SWCD plantings.

All orders must add sales tax. No tax exemptions.

Make checks payable to:
LQP SWCD
122 8th Ave S #1
Madison, MN 56256

*All deciduous tree and shrub bareroot stock are 18"-24" unless otherwise specified.

The Lac qui Parle Soil and Water Conservation District makes no guarantee for tree(s) survival.

Trees that fail to take hold after planted by District Technicians can be repurchased at 50% retail the following year.

First year average mortality is 8% on containers and 13% on Bareroot. Full establishment can take up to 5 years. Per Science Direct.
